ICS Milan

Opportunity

We are looking for an energetic, curious, and collaborative Business & Economics Teacher for our secondary school starting from the school year 2025/2026!

About

Our students are incredible! They are strongly motivated, action orientated and very enthusiastic. We are confident that you will enjoy the lively, rich multilingual and multicultural conversations our students confidently engage in and the learning journeys they will take you on to educate them to shape the world.

We are looking for profiles who can deliver Business and Economics and other humanities subjects in an innovative and effective manner.

Qualifications:

University Degree in the subject

Full secondary teaching qualifications;

Proficiency in English and other language/s.

Excellent understanding of the demands of IGCSE's/IB examinations, ensuring that students are very well prepared to take these and any entrance requirements for their next phase of education;

Experience teaching Business and Economics at DP level in addition to humanities courses in KS3 and KS4.

Personal competences:

Excellent knowledge of business and economics;

Excellent communication and interpersonal skills.

Commitment to fostering a multicultural and inclusive learning environment.

Key responsibilities

Curriculum Delivery: Develop and deliver well-structured business & economics lessons in alignment with the school's curriculum and learning objectives.

Assessment and Feedback: Assess student performance through a variety of formative and summative assessments, providing constructive feedback to support their growth.

Innovation: Integrate innovative teaching methods and technology to enhance the learning experience and promote student engagement.

Differentiated Instruction: Cater to the diverse needs of students by implementing differentiated instruction strategies, ensuring that all learners make progress.

Classroom Management: Maintain a positive and inclusive classroom environment that fosters respect and supports the emotional well-being of students.

Professional Development: Engage in continuous professional development to stay updated with best practices in business & economics education.

Parent Communication: Collaborate with parents to provide regular updates on students' progress and communicate any concerns or achievements.

Extracurricular Activities: May have the opportunity to participate in or lead extracurricular activities related to business & economics, or other areas of interest.

Safeguarding Statement:
